

Remarks

Claims 2, 4-11, 14-18, and 20-23 remain pending. Applicant appreciates Examiner's acknowledgement of allowable subject matter in claims 2, 4,-11, and 14-18 are allowed.

Claims 20 has been cancelled.

Applicant notes that claims 21 and 22 remain provisionally rejected on the ground of non-statutory obviousness-type double patenting. Applicants have included a Terminal Disclaimer to overcome this rejection. The rejections on these grounds is now moot.

The objection to claim 23 is believed to be addressed in that it is dependent upon now allowable claim 22.

Applicant believes that the claims, as amended, are now allowable.

In view of the remarks above, Applicant believes that each of the rejections has been overcome and the application is in condition for allowance.
